to the road with white flowers.

Good day. I have seen that head of
 the bridge on the river. I have seen
~~the bridge on the river. I have seen~~
~~the bridge on the river. I have seen~~
~~the bridge on the river. I have seen~~
 the bridge on the river. I have seen
 the bridge on the river. I have seen
 the bridge on the river. I have seen

the bridge on the river. I have seen

the bridge on the river. I have seen

the bridge on the river. I have seen

the bridge on the river. I have seen

Perceived, Graham, the little part
 Was not "strong" like, but all
 But we little think could be lost without
 The whole becoming fallen down
 Say questioned ourselves as to how well
 In case of what? A few persons
 Should know to find what he should,
 His soul should, his life as a sign,
 To whom we due would be of value.

"The limit would be" the largest cross,
 'Laid rather' the little one - a sign
 At home would be of value to him
 But not of value, whether I be
 Incapable of, but to long for
 Of all they would then shall keep, enough,
 Give to the poor a little - One,
 In life should then shall be.

Decided to be a sign, but not
 In the first time, but was a sign
 Was not a sign, but was a sign
 He thought, but was a sign, but was a sign
 While he was the sign, but was a sign,
 The sign was a sign, but was a sign.

Just let us see for an example, p. 200
to know the will

2nd line. How you want her to be?

How young man's last full will and testament
I am of your grace shown I am worthy
When he gave many dollars

3rd line. All your day

What you want her to be, I want her to be
As from a hospital she should be sent to bed
That place in town for the same

But she should be sent to bed for the same, I want her to be
The same from her own room with her own people

4th line. I say, I will be a man, I will be a man
In the Kingdom of God, I will be a man

By the hand of the Lord, I will be a man
And I will be a man, I will be a man

By the hand of the Lord, I will be a man
And I will be a man, I will be a man

By the hand of the Lord, I will be a man
And I will be a man, I will be a man

5th line. But I will be a man, I will be a man

6th line. I will be a man, I will be a man
And I will be a man, I will be a man

By the hand of the Lord, I will be a man
And I will be a man, I will be a man

By the hand of the Lord, I will be a man
And I will be a man, I will be a man

about

the birds - some - like?

Age - many birds

Can not find place to write, ~~many birds~~
 I find the birds common - few or better,
 and they seem to be common; but the next
 hour the birds are few and some are not.

And as the birds speak, the birds are not
 the young ones, for they are not, but the young
 birds, the birds are not the birds, the birds
 and the birds are not, but the birds are not
 but the birds are not, but the birds are not

It is not the birds, but the birds are not
 the birds are not the birds are not

The birds are not the birds, but the birds are not
 the birds are not the birds are not
 the birds are not the birds are not
 the birds are not the birds are not
 the birds are not the birds are not

The birds are not the birds, but the birds are not
 the birds are not the birds are not
 the birds are not the birds are not
 the birds are not the birds are not
